**ORDER REGARDING SCHEDULE**

The parties have submitted a report of their Rule 26 conference. ECF No. 24. They jointly suggest that the court should defer entry of a schedule until after the state court rules in a related case. They also agree that discovery should be deferred until after the court addresses the State Defendants' motions to dismiss.

Consistent with the parties' suggestion, the court will defer entry of a schedule. After the state court rules, the parties should promptly confer and submit a new proposed litigation schedule. In the meantime, there will be no discovery.

SO ORDERED on September 27, 2023.
